

Creativity abounds here in Ukarumpa during the Covid era. Masks are needed for travel mostly, so I have been busy making them for folks. These children were eager to model some of the latest fashions.

Our team is grateful to continue meeting for translation 3 times weekly, meeting outdoors. We are gleaning gems of truth from the book of Jeremiah, and often pause to simply pray for our world as we are convicted of the sin and great need for our Redeemer. His mercy abounds!

Some linguist workshops are starting up again in various locations, so the community hears the energizing sound of Kodiak airplanes coming and going daily again. Others are returning to their assigned language groups for extended times. Yes, the Word of God is going forth, so please pray for the continued spread of His gospel in the lives of people.

*Be still and know I am God.
I will be exalted among the nations,
I will be exalted in the earth.
The Lord of hosts is with us;
The God of Jacob is our stronghold.
Psalm 46:10,11*

Thanks to all for your love and prayers and ongoing partnership.
I am so privileged to be here and to share in this ministry.
On the eternal Rock,
Marina
