

Joy to the world, the Lord has come

Christmas Joy to my wonderful family and friends, and partners in this ministry.

It is delightful to be back in Papua New Guinea. Thank you for your love and prayers always!

I did not have time to obtain a phone card for my phone, so I will do this after January 5, and will keep you informed. Meanwhile, email works very well: maimermd@gmail.com

***in the Love and Peace of Christ our King,
