

Our Gadsup team has grown to include these five translators: Mantera, Kennedy, Donald, Lisa, and Esther. We are pressing on in the Gospel of John, and digging deep for the meaning of the verses. This has been a rich time for me to ponder anew the Lord Jesus' teachings, and how to follow Him in all things. I especially like to look at the Greek text and the meanings of words. The language of Gadsup has its own intricacies and challenges too.

Here's my buddy Noah (3 years old in June). I really love spending time with him, especially reading stories and dancing to music!

This is the time of year for many departures as the school year ended and folks leave for furloughs. Then others begin returning here in July for the new school year, possibly up to 200 people coming and going in the big shuffle of missionaries through Ukarumpa!

Some very dear friends of mine are returning to Korea with their sons, as the oldest has graduated. They are both dentists here, and they are the first family I met in 2014. We have enjoyed wonderful times of fellowship and prayer these years, and I will miss them.

Many have asked me when I plan to return to the U.S. My work visa is good for three years, so I want to continue through October 2022. I am prayerfully considering renewal of that work permit, but would certainly want to return for a visit and possibly to have cataract surgery. Currently my new glasses are helping tremendously: no more headaches or extreme fatigue due to eyestrain! Alleluia!

Thanks to all of you who pray often for the ministry here in PNG and for me personally. Please continue to share your news and prayer requests with me. It is such a privilege to walk together in the grace and love of our King Jesus.

*May His Kingdom Come and His Will be Done on Earth as it is in Heaven!*
