

“Jesus said, “Let the little children come to me and do not hinder them, for to such as these belong the kingdom of heaven.” Matt 19:14

Hello Everyone!

I am very excited to announce that I have been accepted to **Faith Academy Manila** to assist at the primary school as a **Teacher Aide** for the 2024-2025 school year. I am very happy that God has opened this door as I needed a sabbatical from Bible college to re-adjust as I continue to learn how God will use me in the future. I plan to work with kids, teens, adults, and even ministries as I seek His way forward. My plan is to then continue at Cairn and get my Bible degree after finishing this missionary discovery year. A side job will also include helping my parents ministry in the girls dorm at Faith Academy, where I spent my senior year as a former student.

To any of those reading this who do not know me personally, like some in my new church family in PA, Chelten Baptist, I'll share a little bit about myself and what led me to make this decision. I grew up through grade 6 in Papua New Guinea. My parents cultivated my love for God there by surrounding me with Godly places to serve both at the mission center and at my village church. We moved to the Philippines in my 9th grade year and I continued to grow and was baptized there my senior year. Some of my time there included loving and supporting girls rescued from sexual abusive situations. The times I spent in the US, I also tried to continue outreach through CYIA (Christian Youth in Action formerly CEF) backyard Bible studies.

Photos from former ministries:

Samaritan's Purse Shoebox distribution @My village church as a kid “Raunwara ALC” & hanging out with the pastor’s kids while my dad and brother set up the new rain water tank for clean drinking water.

Packed to go to my first **backyard Bible club** and my prayer card for **CYIA (CEF)**

Helping “Butterfly project (Girls home)” with their village food distribution during Covid in Philippines

I only need to **raise about \$500 per month and some one-time expenses** (for visa's and travel) for this ministry to the Pastors and Missionaries of Asia by helping with the care and schooling of Pastor's kids, Missionary kids and others enrolled at Faith Academy Manila. If you could help with this please see the contact information below.

My specific **prayer requests** for this ministry include:

- Continued diligence with Bible study and integration as I live out my faith.
- Strong and healthy work habits.
- For strength and ability to nurture the young people I will work with, especially in their walk with Christ.
- For wisdom and discipline as I continue with some Cairn University classes for my Bible degree.
- That God would cultivate in me bravery to get out of my comfort zone and do any hard task.
